

SHIPPING SAMPLES

- Send samples to:

  Eurofins Testoil
  20338 Progress Drive
  Strongsville, OH 44149

- Samples do not need to be addressed to any individual, all samples are received by our intake team.

- We **strongly** recommend shipping samples with UPS or FedEx and keeping receipt of **tracking information**.

- There are no special packaging requirements or documentation needed to ship oil, coolant, or transmission fluid. Diesel fuel can **ONLY** be shipped via ground methods.

- There have been instances of sample bottles being damaged during shipping. **Please pack samples securely**.
